

David Gadarian Delivers Public Talk On Digital Planning At Middlesex Savings Bank In Wayland, MA

10 Digital Marketing Power Tips to Help Business Owners Bring Order to Their Online Chaos. Gadarian Digital owner David Gadarian is set to deliver a talk on helping business owners define and manage their digital presence at Middlesex Savings Bank in Wayland, MA on 4/4/2012.

Online PR News – 30-March-2012 With so many business owners swimming in a sea of digital uncertainty, not knowing where to turn, what to do or how to prioritize using the web to help manage and promote your business has never been more confusing and time consuming.

David Gadarian, owner of Gadarian Digital, a Boston area [digital marketing company](#) is set to deliver a tightly woven digital marketing presentation at Middlesex Savings Bank in Wayland, MA on Wednesday, April 4, 2012 that is aimed at providing business owners with actionable ideas focused on [Digital Identity Management](#).

Gadarian's talk "10 Digital Takeaways to Enhance Your Online Efforts" is geared to local business owners and is focused on both high level ideas and directly actionable elements. This talk and subsequent Q & A is intended to provide all attendees with at least one directly actionable item that they can take with them and implement in their business immediately. The past response by attendees to this particular presentation has been extremely positive.

David's talks are engaging, informative and motivating. He is extremely knowledgeable about his space. Bringing him in to talk with some of our banking clients has been very beneficial.

"David's talks are engaging, informative and motivating. He is extremely knowledgeable about his space. Bringing him in to talk with some of our banking clients has been very beneficial." Maud Dentico – Middlesex Saving Bank Business Development Officer

For those in the Wayland area, feel free to reach out directly to Middlesex Savings Bank to inquire about space for this upcoming [digital marketing for business](#) presentation. <http://goo.gl/FtVLe>

About Middlesex Savings Bank:

Middlesex Savings Bank has been building mutually beneficial relationships with businesses in Eastern and Central Massachusetts since 1835. With assets of \$4 billion, 30 branches and four commercial banking centers, the bank provides a full array of business and consumer products and services.

David Gadarian Public Speaking:

In addition to actively working with clients, David Gadarian also speaks regularly about a variety of ongoing digital marketing concerns, all tightly related to the specific areas of expertise that his firm provides. Rather than solely addressing specific "how to" elements, David frequently interjects broader insights in his talks that

Sudbury
allow the audience to much more effectively appreciate an issue and also be able to visualize solutions of
the issue.
